The Shamrocks Vanquished.

Some 800 anxious rooters wended their way to League Park yesterday to witness the last game of the series between the Red Stockings, colored, of this city, and the Shamrocks, white, of Washington, D. C., the former winning the first and last of the series. The game was played with all the vim and brilliancy that can be employed in baseball. Cleannan, who was in the box for the Red Stockings, had his opponents at a standstill. Steward and Parker, of the Reds, are well up in the game, with their fast playing. Costello and Atzs, of the Shamrocks, are too fast for the company they are with. The following tells the tale of woe.

R.H.E.
Shamrocks.....0 0 0 2 1 0 1 0—4 5 3
Red Stockings.....2 0 0 2 0 1 1 1—7 9 1

Batteries: For Shamrocks—Thorpe and Gates; for Red Stockings—McClennan and Steward. Umpire—Boyd. Time—One hour and thirty-five minutes.

CHICAGO, 1; PHILADELPHIA, 7.

Philadelphia, June 1.—By bunching their hits the Phillies managed to take the last game of the series from Chicago. The Orphans' eight hits were scattered through six innings, and were of little benefit. Attendance, 1,321.

Score by innings: R.H.E.
Chicago.....0 0 0 1 0 0 0 0—1 8 3
Philadelphia.....0 0 0 2 3 2 0 0—7 10 3

Batteries—Phyle and Donohue; Donahue and McFarland. Umpires—Emslie and McDonald. Time—1:45.

BALTIMORE, 3; ST. LOUIS, 2.

Baltimore, June 1.—The Orioles won an exciting ten-inning game to-day, and made it three straight from St. Louis. Both pitchers were in fine form, and but for the errors behind them not a run would have been scored. Attendance, 1,474.

Score by innings: R.H.E.
Baltimore.....0 0 0 1 0 1 0 0 0 0—3 7 2
St. Louis.....2 0 0 0 0 0 0 0 0 0—2 8 5

Batteries—McClintock and Robinson; Cuppy and O'Connor. Umpires—O'Day and McGarr. Time—2:10.

NEW YORK, 3; CINCINNATI, 7.

New York, June 1.—The Giants lost another game to Cincinnati to-day mainly through the erratic pitching of Colcolough. His nine bases on balls were directly responsible for four runs. Attendance, 1,000.

Score by innings: R.H.E.
New York.....1 0 0 0 0 2 0 0 0—3 14 4
Cincinnati.....3 2 0 1 0 0 1 0—7 8 2

Batteries—Colcolough and Grady; Phillips and Peltz. Umpires—Gaffney and Andrews. Time—Two hours.

LOUISVILLE, 7; BROOKLYN, 8.

New York, June 1.—The Brooklyn won their fourth straight game from Louisville in Brooklyn to-day. Both teams batted hard and fielded loosely, but the Brooklyn bunched their hits to better effect. Attendance, 2,100.

Score by innings: R.H.E.
Louisville.....1 0 2 2 1 0 0 1 0—7 14 5
Brooklyn.....0 3 1 0 2 2 0 0—8 14 4

Batteries: Phillips and Klitzbridge; Maul, Dunn and Farrell. Umpires—Lynch and Connolly. Time—2:08.

BOSTON, 12; CLEVELAND, 6.

Boston, Mass., June 1.—The Cleveland again obtained a good lead in the game with Boston to-day, only to lose it through the heavy batting of the Champions. Attendance, 1,500.

Score by innings: R.H.E.
Boston.....0 0 3 0 4 0 5 0 0—12 19 0
Cleveland.....1 3 0 0 0 0 2 0 0—6 4 2

Batteries: Willis and Clarke; Sudhoff and Sugden. Umpires—Smith and Burns. Time—Two hours.

WASHINGTON, 10; PITTSBURG, 11.

Washington, D. C., June 1.—Rowdy ball-playing, which came near resulting in blows between Mercer and Bowerman, disgusted many of the spectators at to-day's ball game between Washington and Pittsburg, and finally required the services of a policeman to keep the peace. McCarthy was knocked senseless while at the bat by a ball thrown by Catcher Butler. Attendance, 1,000.

Score by innings: R.H.E.
Washington.....0 0 0 8 1 1 0—10 14 1
Pittsburg.....0 0 0 1 0 0 1 0—11 14 3

Batteries: Baker, Herring, Mercer, McGuire and Butler; Leever, Gardner and Bowerman. Umpires—Swartwood and Warner. Time—Two hours. Eight innings.

MAZET COMMITTEE.

CONTINUES TO REVEAL CORRUPTION IN NEW YORK.

(By Telegraph to Virginian-Pilot.)

New York, June 1.—The sessions of the Mazet Committee to-day were noticeable chiefly for two points, one the turning at bay of Mr. Moss, and the other, evidence regarding the existence in this city of the most frightful form of depravity. Neither incident took up much time.

Mr. Moss opened the session with an outburst of indignation against the way in which witnesses had treated him. He demanded the protection of the committee and announced his intention of bringing Captain Price before the committee to make him prove the charges he made yesterday against Mr. Moss. During this heated appeal from the committee's counsel, Dr. O'Sullivan, who appears for the city department, frequently interrupted, and in intense anger Mr. Moss demanded that Dr. O'Sullivan be denied the privilege of participating in the proceedings. Mr. Mazet upheld Mr. Moss, and Dr. O'Sullivan was rebuked, but allowed to remain in the committee room.

The evidence regarding the flagrant existence of the worst forms of vice was given by two of Mr. Moss's agents. It established the fact that under the eyes of the police there were running on the Bowery the vilest of resorts patronized nightly by persons of the lowest social standing.

AMERICAN MEDIATION.

ADOPTED BY SUB-COMMITTEE OF PEACE CONFERENCE.

(By Telegraph to Virginian-Pilot.)

The Hague, June 1.—The American mediation scheme was unanimously adopted at yesterday's sitting of the sub-committee, which embodied in article 7 the scheme prepared by the sub-committee, with few alterations.

The first commission, by a vote of 18 to 3, adopted a resolution prohibiting the use of Dumdum (or flattened bullets), Italy, Austria and Great Britain forming the minority.

It was also resolved to prohibit the use of explosives from balloons and explosive bullets.

An agreement was found to be impossible on all the important proposals and the conviction is growing more than ever that the work of the first commission is doomed to failure.

The second section of the Red Cross committee is also encountering difficulties, as the American and British members are opposing the proposed regulations as being too stringent.

AUTHOR OF PROPOSALS.

London, June 2.—The correspondent of the Daily News at The Hague says: "Mr. Frederick Holls, secretary of the American delegation, is the author of the American mediation proposals. In one of the most forcible and lucid speeches the conference has yet heard, he argued the utility of special media-

tion, as illustrated by the lessons of the Hispano-American war.

"He said that, had Spain and America been each assisted by a mediator, peace would probably have been arranged after the battle of Manila."

HERO OF FASHODA.

MAJOR MARCHAND RECEIVES AN OVATION IN PARIS.

(By Telegraph to Virginian-Pilot.)

Paris, June 1.—The civil and military authorities and a big crowd of people went to the railroad station at Lyons at 1 o'clock this morning to welcome Major Marchand, the African explorer, on his way to Paris from Toulon. Members of the League of Patriots arrived in vacationettes decorated with garlands and flags.

A tremendous shout of "Vive Marchand" announced the arrival of the popular hero's train at 9:10 a. m.

COVERED WITH FLOWERS.

A victoria was sent by the Minister of Marine, M. Lockroy, to convey the Major to the Ministry of Marine, where a lunch was given in his honor.

The carriage was literally covered with flowers and had a tri-color flag at each corner, while the coachman's whip was tied with tri-color ribbons. Major Marchand and the representative of the Ministry of Marine, Lieutenant Darriens, entered the vehicle, which, on emerging from the railroad station, was greeted with storms of cheering.

ALL SALUTED.

All present, with the exception of the officers and non-commissioned officers on the sidewalk, uncovered their heads as the explorer passed. The military men saluted in military fashion.

Delirious enthusiasm marked every step of Marchand's progress along the Boulevard Diderot to the Henri Quatre bridge.

On either step of the carriage stood a policeman who kept the explorer's frantic admirers from entering the vehicle.

Marchand and his companions lunched at the Ministry of Marine, a number of generals and admirals being among the guests. The distinguished explorer was given a great ovation at the Military Club to-night.

Two Americans Wounded.

(By Telegraph to Virginian-Pilot.)
London, June 2.—A special dispatch from Manila says that the insurgents attacked the outposts of the Fifty-first Iowa Regiment at San Fernando, and that two Americans were hit.

Relieve Six Hours.

Distressing Kidney and Bladder disease relieved in six hours by "New Great South American Kidney Cure." It is a great surprise on account of its exceeding promptness in relieving pain in bladder, kidneys and back, in male or female. Relieves retention of water almost immediately. If you want quick relief and cure this is the remedy. Sold by Walke & Martin, druggists, 108 Water street, Norfolk, Va.

A gentleman of Brooklyn, N. Y., 65 years old, used to be a freight clerk, but for eleven years has done no work, mainly on account of rheumatism. He has always been troubled a good deal with constipation, but a few months since, his attention having been directed to

RIP-ANS TABULES

he commenced a course of treatment with them, using them according to directions. As a result the trouble from constipation is overcome and there is a positive improvement to be noted in the condition of his rheumatic joints. His daughter, who lives with him and has suffered a good deal from dyspepsia, also uses the Tabules and has found in them the greatest possible benefit.

The pet deer belonging to the family of Mr. E. L. Cox strayed off yesterday.

David Sykes has put a fan and electric lights in his shaving parlor, on Chestnut street.

Mr. John Jones, of South Norfolk, has been awarded the contract to erect an addition to the main building of the Columbia guano factory, on the Southern branch of the Elizabeth river, 100x40x17 feet. The foundations have been laid and the work is being pushed to completion. Several pieces of machinery have also been added. The company contemplates building 250 feet of wharf and dredging the river near that point.

SPOONENDYKE.

The entertainment season will close to-night with probably the most attractive little comedy ever given in Berkley—"Spoonendyke," a farce in two acts. The program is given below. New scenery has been painted especially for this production. It will be rendered by the best local talent. It is given for the benefit of Lee Lodge, K. of P., who are struggling to give the Berkley people a creditable public hall. A crowded house, no doubt, will be on hand.
